

# MSSP PROGRAM

## BLACK KITE'S CYBER RISK RATING SERVICE

At Black Kite, our mission is to build the most trustworthy cyber rating system in the world. Our partners are a global fleet of experienced, practical thinkers dedicated to enhancing our solution in order to reduce uncertainty around cyber risk.

With Black Kite's MSSP program, partners have two options:

### SELF-MONITORING

#1

Best for MSSPs who have customers who are looking to **monitor their own cyber risk posture.**

- Minimum of **5 monitored companies\***
- Single, co-branded instance of Black Kite's platform

### THIRD-PARTY MONITORING

#2

Best for MSSPs who have customers who are looking for **vendor risk monitoring.**

- Minimum of **10 monitored vendors\***
- Separate, co-branded instance of Black Kite's platform

### Monthly Subscription Model →
